France bonbons Caramels / SKENDY is the specialist provider in the French market.

The sweet becomes an original and flavourful means of communicating smoothly!

We offer a comprehensive product customisation service so you can create your own sweet wrapper with your logo, your illustration for a special event, etc.

Create your welcome sweet with your logo's colours, reward your employees or offer a gift to thank your customers for their loyalty: there are numerous opportunities, so why not offer sweets that will at the same time give additional flavour to your image?

Customised lollipops, sweets, calissons, nougats and caramels.

16 shapes of sweets available :

barley sugar stick, mini-bonbon, sweet with one or two wrappers, corncob, etc.

A rectangular lollipop,

unique in the market. This shape provides a large communication area.

Different flavours and textures

to satisfy all desires: acid drop, assorted fruit, Madeleine, mint, cherry, caramel&hellip; with filling, crispy layers or praline-centred.

Different original packaging,

adapted to your budget and customisable: label and markings (minimum order quantity).

Theme sweets : football, rugby, Halloween, lilies of the valley, Christmas, etc. sweets

An in-house printing works that responds quickly and controls lead-times.
